

INVITATION FOR TENDERS

Project name	Road Rehabilitation and Safety Project
Country	Republic of Serbia
Business sector	Transport
Project ID	44750
Funding source	EBRD
Type of contract	Works
Type of notice	Invitation for Tenders
Issue date	29/03/2018
Closing date	17/05/2018

This Invitation for Tenders follows the General Procurement Notice (7090-GPN-44750) for this project which was originally published in *Procurement Notices* on the European Bank for Reconstruction and Development (the Bank) website: 14/05/2013; updated (7705-GPN-44750) on 24/09/2014 and on 29/06/2016.

The Public Enterprise "Roads of Serbia" hereinafter referred to as the "Employer", intends using part of the proceeds of a loan from the Bank towards the cost of Road Rehabilitation and Safety Project.

The Employer now invites sealed tenders from contractors for the following contract to be funded from part of the proceeds of the loan:

- **Heavy maintenance of the state road IA3, Motorway Section: Border CRO/SER (Batrovci) - Kuzmin 1, Contract Ref. No. RRSP/RW-IA3BK/2017-07.**

The Contractor is expected to perform all Works from km 0+554.86 to km 22+196.11 left carriageway and from km 0+564.64 to km 22+229.16 right carriageway in accordance with the Main Design provided by the Employer.

The civil works will consist of (but shall not be limited to) the following:

- Preliminary works which include removal of excessive vegetative material and waste, demolition of road elements on access roads (curbs and pavement), demolition and removal of elements of the damaged constructions, surface preparation of the existing pavement for application of new layers (milling of the existing pavement, repair of wide cracks, construction of leveling layers);
- Substructure works which include excavation of ditches, construction of stabilized shoulders, topsoiling of shoulders and other surfaces, and earth works on construction of asphalt access roads and bus stops;
- Superstructure works which include pavement construction on access roads; works on improvement of pavement (construction of bituminous bearing course, and construction of wearing asphalt concrete course), as well as placement of concrete curbs and construction of gutters;
- Works on structures (bridges) which include milling of the existing asphalt layer, construction or replacement of waterproofing, construction of asphalt layers (leveling course if needed, wearing course, asphalt layer on sidewalk), demolition and reconstruction of the curbs, repair or replacement of the bearing paths, repair or replacement of the expansion devices, repair of the protective layers, bridge drainage, repair of fences and guardrails, regulation of hydraulic watercourse profile in the bridge area and any other works if specified by the Main Design;
- Works on drainage system improvement which include cleaning and repair of elements of the existing culverts, culverts extension, construction of the new culverts in accordance with the Main Design, construction of drainage pipes, construction of concrete channel, construction of concrete pipes on access roads and approaches;
- Roadside arrangement and placement of traffic signalization and road furniture.

The Works will be performed **under traffic** with a strong emphasis on maintaining safe conditions for both the flow of traffic and the works in progress.

Time for completion of Works is **15 months**.

Tendering for contracts to be financed with the proceeds of a loan from the Bank is open to firms from any country.

To be qualified for the award of a contract, tenderers must satisfy the following minimum criteria:

Financial requirements

- Submission of audited balance sheets or if not required by the law of the Tenderer's country, other financial statements acceptable to the Employer, for the last **five (5)** years, i.e. **2012-2016**, as well as the forecast for 2017-2018, which shall demonstrate the current soundness of the Tenderers financial position and its prospective long term profitability;
- Minimum average annual construction turnover of **28.000.000 EUR** equivalent, calculated as total certified payments received for contracts in progress or completed, within the last **five (5) years, i.e. 2012-2016**;
- The Tenderer must demonstrate access to, or availability of, financial resources such as liquid assets, unencumbered real assets, lines of credit, and other financial means, other than any contractual advance payments to meet: (i) the following cash-flow requirement: **min. EUR 5.800.000 equivalent** and (ii) the overall cash flow requirements for this contract and its concurrent commitments.

Experience requirements

- General experience - Experience under contracts in the role of contractor or management contractor for the last **five (5)** years prior to the tender submission deadline, and with activity in at least nine (9) months in each year.
- Specific experience:
 - (a) Participation as contractor, management contractor, or subcontractor, in at least **two (2) contracts** within the last **five (5) years**, each with a value of at least **EUR 12 mil.** that have been successfully and substantially completed and that are similar to the proposed Works. The similarity shall be based on the physical size, complexity, methods/technology or other characteristics as described in Section VI, Employer's Requirements;
 - (b) For the above or other contracts executed during the stipulated period under item (a), a minimum experience in the following key activities: Average annual production and laying of asphalt mixtures (asphalt concrete and bituminous base) not less than 65.000 tones/year in the last three (3) years.

Above and all other qualification requirements related to the eligibility, litigation history, and technical capabilities including to the personnel and equipment are specified in the Section III. Evaluation and Qualification Criteria of the Tender Documents.

Tender documents may be obtained from April 2, 2018, from the office at the address below upon payment of non-refundable fee of **EUR 200 (two hundred euros)** or equivalent in a convertible currency.

EUR 200 (two hundred euros) payable by international tenderers.
